CONFIDENTIAL

SECURITY CONTROL STAFF:

Discharges approved functions and responsibilities of the Executive for Inspection and Security, as directed, with respect to the safeguarding of classified information and intelligence material, and the security of CIG personnel, facilities, installations, sensitive sources of information and operational methods. Is concerned primarily with the formulation of broad, integrated policies affecting the national security and with the planning of security programs and procedures for use in event of a national emergency. Formulates coordinated security policies based upon active and continuing liaison with components of CIG and with Federal government departments and agencies and supervises implementation thereof when appropriate. Receives information and material relating to security referred from government agencies and from offices and staffs of CIG, and conducts surveys, reviews and studies--rendering opinions, interpretations and decisions, and preparing recommendations, regulations and policies as considered appropriate. Performs special assignments as directed.

PERSONAL SERVICES:

This Staff functions under the supervision of a Chief, who is responsible to the Executive for Inspection and Security. Two Control Officers effect the necessary coordination and liaison with appropriate offices within the organization of CIG and with offices of government departments and agencies outside CIG on matters concerned with the planning of programs and procedures and the formulation of policies relating to safeguarding of classified information and intelligence material and other phases of security; and, based upon facts developed, render opinions and interpretations. Prepare studies and draft policies. Assignment of a Plans Officer and an Assistant Plans Officer, CAF-12 and CAF-11, respectively, is contemplated to complement the working staff. Secretarial-stenographic-clerical requirements are fulfilled by an Administrative Assistant, CAF-7, and a Clerk-Steno., CAF-5.
